HOLY TRINITY SUNDAY

The Feast of the Trinity of God comes about because Jesus painted a picture of the most intimate communion of Divine Life between Himself, the Father, and the Holy Spirit. This is a relationship and yet the most perfect unity.

God is Divine pulsating, shimmering light dancing in threefold exchange of love. In fact, the best name for God is 'Being-in-Love'. What does this mean for us?

How often have you heard: 'You are made in the image and likeness of God'?

If God is threefold Being-in-Love, then you and I are made to live in relationship – not in solitary. We are totally on the wrong track if we think that the ultimate good is to be self-sufficient. It will turn out to be a Hellish choice. When we live as much self-giving as is possible, we are closest to Divine Life. In fact, we are Divine Life pulsating into a particular time and place through us.

Each time we bless ourselves, a bit of a Catholic routine, we are invoking the threefold exchange of love and calling its power into our life. Be careful, there will be consequence! You could become more God-like!

We could pause for a moment, slowly make the Sign of the Cross which recalls our baptism: 'In the Name of the Father and of the Son and of the Holy Spirit', and promise to image that Name in our lives.

We could pause for a moment, slowly make the Sign of the Cross which recalls our baptism: 'In the Name of the Father and of the Son and of the Holy Spirit', and promise to image that Name in our lives.

We could pause for a moment, slowly make the Sign of the Cross which recalls our baptism: 'In the Name of the Father and of the Son and of the Holy Spirit', and promise to image that Name in our lives.

KIDS CORNER 22nd May 2016

Gospel John 16:12-15

What did you hear when you listened to this Gospel?

There are more ways to talk about God than we can possibly imagine.

Because we are humans, and God is God, we cannot possibly understand God completely. We can get an idea about God through Jesus who, although God, was also human. Jesus has revealed things about God.

What things do you remember that Jesus revealed about God?

Jesus often talked about God as a loving and forgiving Father.

In the first reading we heard about God as Creator. In this gospel, Jesus is telling his disciples about God as the Spirit who will always remain with them and remind them about Jesus' message.

But those are just a few of the many ways we can talk about and think about God. We can't know all that God is. To think of God as Creator helps us know something of God. To talk of God as a Father shows another image of God.

But no image shows all that God is.

In this gospel Jesus tells us that the Spirit will be with them and will guide them.

Do you know how the Spirit works in your lives? Pretend you can hear your mother whispering all of the things she tells you before you go out. (Look both ways before crossing the street, don't talk to strangers, remember to say please and thank you.)

The Holy Spirit is a bit like the whisper of Jesus urging us to do good things.

The important thing is our relationship with God.

However we think about God and pray to God – just do it!

Prayer:

Glory be to the Father,
and to the Son and to the Holy Spirit
as it was in the beginning,
is now and ever shall be,
world without end. Amen.

Memorise this prayer and pray it often.
