SPIRITUAL PILGRIMAGE FOR THOSE WHO STAY AT HOME

We are leaving on a Pilgrimage for the Holy Land on 23rd October. A SPIRITUAL PILGRIMAGE is when you follow us day by day, light a candle and pray with us on the journey. We will light a candle in all the Holy Sites of the Land of Jesus, Mary and Joseph for all those at home who are unable to join us. You can be part of this journey at home. I have a copy of the journey available at the back of the church today. Please take a copy home and join us on this Sacred Journey. Give Thanks to the Lord

The Liturgy of the word today invites us to be grateful for all that we receive. Naaman, the Syrian Military General in the first reading, was an outcast not only because of his illness; he was also a non-Israelite. But he returned to thank the Prophet Elisha for the cure of his leprosy, and as a sign of his gratitude transferred his allegiance to the God of Israel.

St. Paul, in the second reading, advises Timothy to be grateful to God even in his physical sufferings and amid the dangers associated with spreading the Word of God, because God will always be faithful to His people. By describing the events that followed Jesus' miraculous healing of the ten lepers from a physically devastating and socially isolating disease, today's Gospel presents a God Who desires gratitude from us for the many blessings we receive from Him, and Who feels pain at our ingratitude. The Gospel story tells us of a single non-Jewish leper (Samaritan), who returned to thank Jesus for healing him, while the nine Jewish lepers went their way, perhaps under the false impression that healing was their right as God's chosen people. They did not seem to feel indebted to Jesus or to God for the favour they had received. Instead, they hurried off to obtain a health certificate from the priests. "Where are the other nine?" Jesus asked the Samaritan leper and the crowd. "Did only one come back to say 'thank you?'"

Today's readings also remind us that Faith and healing go hand in hand, as do Faith and Reconciliation. It was Faith that prompted Naaman to plunge himself into the waters of the Jordan River, and it was Faith in Jesus which prompted the lepers to present themselves first to Jesus and then to the priests. Finally, the readings demonstrate God's love for all peoples, including the Samaritans (whom the Israelites hated), and the pagans, Israel's enemies whom Naaman represented. Let us today come to the awareness of the fact that we need to be thankful to God and to others. Let us be filled with daily thanksgiving to God and to others for the countless gifts we have received. Let us show our gratitude to our forgiving God by forgiving others, and to a loving God by radiating His love, mercy and compassion to others. We need to celebrate the Holy Eucharist as the supreme act of thanksgiving. The Greek word "Eucharist" means "thanksgiving." Thanksgiving is the attitude we should adopt in worship. When we celebrate the Holy Eucharist together, we are thanking God for the great gift of His Son whose sacrifice formed us into the People of God. We thank God for the gift of the Spirit, through Whom we bring the presence of the Lord to others. Saying thanks to God together with the parish community, sharing our time, talents and material blessings in the parish and sharing the Holy Eucharist, are the simple forms of thanksgiving we can offer every Sunday in response to God's blessings.

Pray for renewal!

Renewal is not the 'job' of a few people, but a privileged opportunity shared by all for prayerful reflection and concrete action. Even if you feel that you're unable to assist in the renewal effort due to age or health—your prayer support is invaluable. Consider how our parish might enhance its current faithfulness to the Gospel.
