**St Vincent de Paul
Modbury Conference**

Another week, another six calls, including one first time caller, keeping up our average for the year to date. One for a recall for assistance with a gas bill, and the rest for food and clothing.

Across the State there have been about 600 payments of emergency relief funding this F/Y. We're finding about 20% of the calls are for first timers.

Next conference meeting is coming up on
Thursday, Sept 12th – 4pm
at St John XXIII meeting room. All are welcome.

The Regional meeting at TTG went off well with the introduction to the meeting of a city staff member who was emphasising mental health for staff, volunteers and companions.

Our immediate needs in the pantry are
**Tinned Meat, Tinned Peas/Beans,
Pasta Sauce and Margarine.**

If you can, please put any or all of these in the basket.
We appreciate the assistance this provides us
in keeping the pantry stocked against
the assistance demand.

TO HOPE AND ACT WITH CREATION

SEASON OF CREATION 2024

*The firstfruits of hope
(Rom 8:19-25)*

September 1st, the World Day of Prayer for the Care of Creation, opens the Season of Creation each year. Since adding this day to the Catholic liturgical calendar in 2015, Pope Francis has regularly issued an official message promoting the Season of Creation theme.

Pope Francis's Message for the World Day of Prayer for the Care of Creation is, as it is each year, a contemplation on the year's global ecumenical theme. This year's theme, "To Hope and Act with Creation," is drawn from St. Paul's letter to the Romans 8:19-25.

This theme, he writes, is grounded on our faith, faith that comes from the Holy Spirit dwelling within us. The Spirit prompts us to live in authentic human ways, the ways revealed by Jesus, the creative and proactive ways of love that overcome all obstacles, even death. Christians are, then, to live lives of faith, active in charity and abounding in hope. We bear witness to that hope by caring for suffering humanity, nature itself, and our living environment, Earth.

Our hope is based on the realization that everything is ordered finally to the glory of God. That ultimate truth does not deny the current reality that humanity and all Creation are bound by the slavery resulting from sinful abuse of Creation. All Creation groans in the process of "new birth," of conversion from the arrogance of seeking power to exercise dominion over others and over nature. The path of this conversion is a new spirit of solidarity among all peoples and with Creation based on universal love and a mission of caring for Creation. That path is difficult and painful, like the groaning and pain of labor, but its success is assured in Christ.

Pope Francis concludes his message with these words: In this way, our lives can become a song of love for God, for humanity, with and for Creation, and find their fullness in holiness.

Our Prodigal Journey

For all of us there have been times in our lives when we have faced sadness, struggle, felt discouraged or been in despair ... a feeling of being lost.

The Parable of the Prodigal Son offers a wonderful example of hope that ultimately nothing is really lost and we are welcomed and accepted with compassion and love.

This reflection day will provide the opportunity to explore your own journey of hope, compassion and love.

This day is suitable for all adults.

It is also approved by CESA as a System Accredited Module for teachers, requiring the submission of a 1500 word reflection paper

GOSPEL ACCLAMATION: Alleluia, alleluia! The Father gave us birth by his message of truth, that we might be as the first fruits of his creation.. Alleluia!
