## In the Name of the Father and of the Son and of the Holy Spirit...

Have you read the book titled "The Shack"? With over 10 million copies in print, and raising a lot of questions among the churches, the book had become controversial. Here is the story-line in brief: Mack, the main character of the story, receives an invitation from 'Papa' to visit the shack – a hut in the forest. From his scanty religious background, Mack knows that Papa is God himself. Four years prior to this invitation, Mack had lost his daughter Missy from a camping site. Since then he had been overcome by, what he calls, "The Great Sadness." He decides to respond to the invitation and spend the weekend at the shack. What he encounters at the shack are the manifestations of the three persons of the Trinity. God the Father takes the form of an African American woman, who calls herself Elousia, or just 'Papa'; The Son is a Middle-Eastern carpenter; and the Holy Spirit physically manifests itself as an Asian woman named Sarayu.

In that encounter with the Trinity, Mack is helped to deal with "The Great Sadness" of the loss of his daughter, and to forgive the killer of his daughter. And in the process, Mack learns a few hard lessons about God, suffering, and life itself. His daughter is not brought back to life, but the Trinity restore life and wisdom to Mack.

This feast of the Holy Trinity invites us to experience God in a different light, and to enjoy the fruits of that experience in terms of wisdom and wellbeing, to experience Him as the Living God, as one who creates us, seeks us out, and enlightens us. Our belief in God as Trinity is not just a line in the Bible, nor is it a mere answer to a question in the catechism. Our belief in God is an invitation to experience. And Trinity is the way we experience God the mystery, in His different dimensions. The Trinity is a model that captures the three ways God has been experienced in history, or the three ways He has revealed Himself, God the Father God the Son and God the Holy Spirit. It also reminds of the three ways in which we – as individuals and communities – might experience Him today.

**Renewal/Plan Giving Committee**

We are looking for people who may be interested in being part of the committee to get our Renewal/Plan Giving program in place for 2015.

As we all know without your help and assistance the Parish could not operate or be viable. YOU are the Parish. Unfortunately whenever Plan Giving is spoken about we all want to hide from it. Renewal/Plan Giving is not just about money (although it certainly is a bit part of it) It is also about everyone sharing their gifts and talents. As mentioned last week at Mass we are in need of people to be Readers, Welcomers, Special Ministers, Commentators among others but we also need people to volunteer for the day to day things of the parish, helping in the Office, gardening, maintenance etc etc.

It is envisaged that there will not be a huge amount of work involved for the committee as some of the work is already prepared and ready to go. Please think about giving some time with helping on this committee. Please leave your name & number at the Parish Office and someone will contact you.

**KIDS CORNER**

Trinity Sunday

**"In the Name of the Father..."**

we move our hand slowly to touch our forehead with the tips of our fingers. We think of the Father who created us because He loves us. He made the whole world and the sun and moon and all the stars.

**"And of the Son..."** we move our hand slowly down from the head to touch our chest. We think of how Jesus the Son came down to earth from heaven and was born in a stable, because His heart was full of love for us, and He wanted to live with us and then share heaven with us.

**"And of the Holy "** we move our hand slowly back up from the chest to touch our left shoulder. We think of how Jesus carried the Cross on His shoulder, and we think of the pain He suffered when He died on the Cross because He loves us so much.

**"Spirit "** we move our hand slowly across from our left shoulder to touch our right shoulder.

We think of how Jesus rose from the dead and went back to heaven to sit at the right hand side of His Father, and then sent us His Spirit to help us on earth because He loves us so much.

**"Amen "** we join both our hands slowly together and point them to heaven, because we want our prayer to join us to Jesus, so we can love Him on earth and be happy with Him one day for ever in heaven. Amen.

*Taken from Making the Sign of the Cross: by The Prayer Trust St Columbans Mission Society.*

**Prayer.**

Glory Be to the Father and to the Son, and to the Holy Spirit as it was in the beginning is now and ever shall be world without end. Amen.

*Prepared by Grace Healey.*

**Solar Panels**

The Solar Panels on the Parish office roof continue to save the Parish money.

## **Fr Peter's 50th Anniversary Celebration**

There will be a further meeting on this coming  
TUESDAY JUNE 2nd at 7.30 PM at John XXIII  
to further plan the celebrations of  
Fr Peter's 50th Anniversary of his  
Ordination to the priesthood.

As you already know, these celebrations will be on  
SUNDAY JULY 12th

At this stage, we have planned a Mass celebrated by  
Fr Peter, Fr Philip Marshall (Our Vicar-General)  
and other fellow priests at 12.00 m.d., followed by a BBQ  
topped up with salads and desserts.

We will be appealing to you to assist with the latter two  
items and to help with the BBQ, tea & coffee.

Food for the soul and food for the body but what else can  
we (as hosts) do to make this event even more  
meaningful for Fr Peter?

Come along to the meeting and let us know your ideas.

## Propagation of the Faith Appeal

Next weekend there will be a special collection for  
the Propagation of the appeal

## Community Garden

We planted some garlic to stop aphids from destroying our vegetable garden. We poisoned and weeded the surrounds of the garden. We also made a trellis out of chicken wire and garden sticks for the sweet peas. Hopefully we will have a carpet of flowers in spring. The vegetables are looking quite good thanks to God for the rain.

**Community gardens** are places where people come together to grow fresh food, to learn, relax and make new friends. **Community** gardeners know that sharing land to grow food and other plants builds a sense of place and **community**. Please join us children and adults for our next get together on Saturday 20<sup>th</sup> June from 9.30 to 11.30. Pat is donating some small garden boxes for children to have their own little garden patch. Please bring garden gloves and a hat.

suggest that you check your scales."  
The baker looked at her calmly for a moment and then  
replied, "Ma'am, I suggest you weigh your son."

## Modbury Community & Craft Group
