You Raise Me Up

On this thirteenth Sunday of the church's ordinary time we celebrate the Lord who gives life. God created us to live and, it is his desire and intention that we prosper in health of body and mind. So, "death" is totally opposed to God the author of life. This was why Christ accepted death and poverty that we ourselves might live and be rich. As a loving father, the plan of God for us remains supreme. God's wish is that we may prosper and be in health, even as our souls prosper (3 Jn 1-2). Yes, this is the desire of God for us. Therefore, nothing changes this intention or plan of God for us. Even when we desert him, this plan for life, prosperity and good health remains concrete.

It is life not death, good health not sickness, peace not war, unity not division, love not hatred, and many more good things. All we need to do is to continue to say yes to these with our faith. It is because of this plan that Paul reminds us today in our second reading that: "...The Lord Jesus was rich, but he became poor for your sake, to make you rich out of his poverty." Therefore, this plan constantly moves God to do everything possible to give us relief from our sickness, worries, weaknesses, and even to keep us safe and alive for the glory of his name. The scripture tells us that: "He did not spare his own son but gave him up for us all." Today's Gospel presents us with two miracles of Jesus. These miracles are evidences of the wish and plan of God for us his people. They also demonstrate that while Christ desires that we be freed from all forms of captivity, he equally wishes that we demonstrate a strong faith in order to step into our miracles. In both cases, we see faith in action. The woman demonstrated her living faith with her active action. She waited for twelve years, and when her chance came, she took it in faith. She was not afraid or ashamed of the crowd. Her action and the reaction of Jesus, simply teach us that coming and touching Christ must be a very deliberate action motivated by a living faith. Also, Jairus demonstrated his faith on behalf of his daughter by persistently inviting Christ. Both Jairus and the woman never gave up, instead, they waited patiently until the plan of God was fulfilled for them. First of all, we must learn that, it is the plan of God for us to prosper both in body and soul, but we must be patient and walk into this plan in faith. Secondly, we have a role to play in the plan of God towards others. This is why Paul tells us today: "You always have the most of everything...so we expect you to put the most into this work of mercy too." So, while Christ seeks our welfare every day, we too must constantly seek the welfare of others. Let us praise the lord saying: "I will praise you, Lord, you have rescued me."

A Big Thank You

To all the friends we were blest to make at the Para Hills/Modbury Parish:

Thank you for the welcome Fr Peter and so many of you afforded us when we first arrived. It was overpowering for us.

When mum came from the respite she was in, while we facilitated the move, you also welcomed her and she loved you all too.

It was awesome interacting with Fr Jack especially with all his knowledge on the history of our Faith.

Then Fr Manu allowed us to stay until we could find a place in a Retirement Village which could afford to buy into.

So now that we have found that place we would like all of you to have our address when you feel like contacting or visiting us. Just give us a couple of weeks, downsizing is a mammoth task we are finding!!

Our new Address:

Unit 17
Arthur Court
401 Cross Rd
Edwardstown S.A. 5039

New Land-line 8297 7675
Mobiles and emails same as before

PS The last 12 years will always be very much a part of our lives – Providential!

With much love and again many thanks
Jim & Karin Gibson

Can you be of service to our community?

We are in urgent need of volunteers to assist with counting the money from the two collections after each Mass on the weekends.

Counters work in teams of 3 – 4 people and generally will be rostered on for one Sunday each month. Counters need to be confident in counting and recording cash.

Training in the systems used will be provided. Counting takes place following each Sunday Mass at Holy Trinity and St John XXIII and usually takes about 30 minutes to complete.

Please consider giving some of your time for this task, which, while not difficult, is essential to the smooth running of the parish.

In line with Archdiocesan policy all volunteers will be required to undergo a Police Check
